WELCOME TO XLBEEF

XLBeef Angus is a family-owned local stud that was established in 1995.

Since then we have based our heard on the best Angus genetics from around the world through AI and ET. With regular trips overseas visiting leading studs and ranches through our semen company Excel Genetics, we have been able to source the best of the best high performing Angus genetics from USA, Canada, New Zealand and right here in Australia.

On the 31st of August 2022 XLBeef Angus will be offering for sale 56 power and performance Angus cattle including:

40 yearling bulls aged between 13 and 16 months old;

12 yearling heifers 13 to 15 months old;

And 4 cow and calf units.

We are extremely proud of this years sale draft and excited for our customers to be able to purchase breed leading genetics to fit a wide range of breeding programs.

With sires such as **Mogck Entice**, **Montana Evelation 7108**, **G A R Fireball**, **G A R Hometown** and our very own super sire **Gunsmoke P8** just to name a few.

All sale cattle have been Geonomics tested with some outstanding results with a large percentage of the draft testing in the top 20% of the Angus breed for mulitple performance traits. This has given us great confidence in our breeding program and the animals we aim to produce for our clients.

From all the team at XLBeef Angus we hope to see you Wednesday the 31st of August 2022.

SALE DAY SAFETY

All the sale animals have been screened for temperament and are quiet to handle under normal circumstances. As shown at our on farm field day, however there are inherent risks associated with cattle handling.

So please be aware sale day places extraordinary pressure on the cattle which may make them act differently then normal. If you would like help going through the bulls please ask.

VISITORS ENTER THE CATTLE PENS AT THEIR OWN RISK!

CHILDREN UNDER 16 YEARS ARE NOT PERMITTED IN PENS UNLESS ACCOMPANIED BY AN ADULT.

TAKING NEW ANIMAL HOME

To help your new animal settle into their new home as well as possible, we recommend the following:

Our cattle run in a mob they have never been on their own. So it is a good idea to have cattle in our own yards when your new animal is delivered, to lower stress on the animal until they adjust to their new surroundings.

They don't like being on their own.

SALE INFORMATION

INSPECTION

Bulls will be on display from 9.30am on the morning of the sale.

DIRECTIONS

There is a map on page one of this catalogue

HEALTH

All bulls have been vaccinated with 7 in 1, Pestiguard (BVDB).

FERTILITY

All bulls have been semen tested. They have also had a physical examination.

INSURANCE

There is no insurance on the cattle sold. Buyers are reminded that it is their responsibility from the fall of the hammer to organise insurance.

REFRESHMENTS/LUNCH

Refreshments and a complimentary BBQ lunch will be available on the day.

DISCLAIMER

Every care has been taken during the compilation of the catalogue to ensure the accuracy of information supplied. However, no responsibility will be accepted for any errors that may have occurred.

PHONE BIDS

Mobile service is available on property. Please contact your agent to arrange this.

SELLING SYSTEM

On property auction. Cattle remaining in yards. TV's will have video of cattle. AuctionsPlus and phone bidding arranged.

EXTRA CATTLE INFO

All cattle have been parent verified and have been 50k tested (Genomic Profiles).

REGISTRATION TRANSFER

Upon the request of purchaser, XLBeef are happy to transfer purchase free of charge.

PUBLIC LIABILITY

Any person attending the sale does so at his/her own risk. All persons attending the sale release the vendor from all actions or demands due to any loss or damage to any person attending the sale, their property or otherwise.

ANGUS AUSTRALIA DISCLAIMER

Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.

PARENT VERIFICATION SUFFIXES

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name.

PV: both parents have been verified by DNA.

SV: the sire has been verified by DNA.

DV: the dam had been verified by DNA.

#: DNA verification has not been conducted.

E: DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.

AuctionsPlus

How to Register and Bid on AuctionsPlus

1

Go to www.auctionsplus.com.au to register at least 48 hours before the sale.

2

Select **"Sign Up"** in the top right hand corner.

3

Fill out your name, mobile number, email address and create a password.

4

Go to your emails and confirm the account.

5

Return to AuctionsPlus and log in.

6

Select **"Dashboard"** and then select **"Request Approval to Buy"**.

7

Fill in buyer details and once completed go back to Dashboard.

8

Complete buyer induction module (approx. 30 minutes).

9

AuctionsPlus will email you to let you know that your account has been approved.

10

Log in on sale day and connect to auction.

11

Bid using the two-step process – unlock the bid button and bid at that price.

12

If you are successful, the selling agent will contact you post sale to organise delivery and payment.

For more information please contact us on:

Phone: (02) 9262 4222

Email: info@auctionsplus.com.au
