

Corporate Fleet & Operational Capabilities Deck (2026)

Official Website: momentumgroupgreece.com

VVIP Operations Desk: ops@momentumgreece.com

Active GNet Network ID: MOMENTUM GROUP GREECE

1. OPERATIONAL HUB OVERVIEW

Momentum Group Greece operates a premium, B2B-exclusive executive ground transportation infrastructure across Greece, managing independent regional hubs built for absolute consistency and network compliance.

- **Mainland Operational Hub:** Athens International Airport (ATH) & Greater Athens Metropolitan Area.
- **Cyclades Operational Hub:** Mykonos Island (JMK), Private Heliports & Marinas.

2. SERVICE LEVEL AGREEMENTS (SLAs) & NETWORK PROTOCOLS

- **Strict 100% In-House Fleet:** Every mission routed to our screens is executed exclusively by our company-maintained vehicles and directly employed professional chauffeurs. We operate under a strict zero-subcontracting / no farm-out policy to protect your brand reputation.
- **Real-Time Flight & FBO Tracking:** Our 24/7 operations room monitors commercial arrivals and private jet FBO manifestations via automated APIs to eliminate unnecessary wait windows.
- **Chauffeur Protocols:** Background-checked, professionally vetted chauffeurs operating under strict NDA compliance, dressed in sharp executive business attire.
- **Insurance Standards:** Comprehensive €1.3 Million comprehensive public liability insurance coverage per vehicle, meeting and exceeding European network compliance.

3. ACTIVE FLEET SPECIFICATIONS (Late-Model / Showroom Condition)

Every vehicle carries high-speed secured Wi-Fi, multi-device charging stations, and chilled premium bottled water (Evian/Fiji).
