

30 METRO APARTMENTS
**EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE,
SEXUAL ASSAULT, AND STALKING**

30 Metro Apartments is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act of 1994, as amended (“VAWA”), **30 Metro Apartments** allows any tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. VAWA protections are not limited to women and are available regardless of age or actual or perceived sexual orientation, gender identity, sex, or marital status. Victims cannot be discriminated against on the basis of any protected characteristic, including race, color, national origin, religion, sex (including perceived or actual sexual orientation or gender identity), familial status, disability, or age. HUD-assisted and HUD-insured housing must also be made available to all otherwise eligible individuals and families regardless of age, or actual or perceived gender identity, sexual orientation, or marital status.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance regarding safety and security. The plan is based on Federal regulations at 24 Code of Federal Regulations (CFR) part 5, subpart L, related program regulations, and the model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD). HUD is the Federal agency that oversees the **Low-Income Tax Credit Program, & Housing Choice Voucher Program (HCV)** are in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant may seek an emergency transfer to another unit if they or their household member is a victim of VAWA violence/abuse, as outlined in the “Notice of Occupancy Rights Under the Violence Against Women Act,” Form HUD-5380. This emergency transfer plan provides further information on emergency transfers, and **30 Metro Apartments** must provide a copy if requested. **30 Metro Apartments** may ask for submission of a written request for an emergency transfer, such as form HUD-5383, to certify eligibility for the emergency transfer.

Emergency Transfer Policies

A Tenant is eligible for an emergency transfer if:

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD’s regulations at 24 CFR part 5, L is eligible for an emergency transfer if:

1. The tenant (or their household member) is a victim of VAWA violence/abuse;
2. The tenant expressly requests the emergency transfer; **AND**
3. **EITHER**
 - a. The tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if they or (their household member) stays in the same dwelling unit; **OR**
 - b. If the tenant (or their household member) is a victim of sexual assault, either the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or their household member) were to stay in the unit, or the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

30 Metro Apartments, in response to an emergency transfer request, should not evaluate whether the tenant is in good standing as part of the assessment or provision of an emergency transfer. Whether or not a tenant is in good standing does not impact their ability to request an emergency transfer under VAWA.

Requesting an Emergency Transfer

To request an emergency transfer, the tenant shall notify **30 Metro Apartments** or NP Dodge Management Company and submit a written request for a transfer (HUD-5383). The tenant may submit the written request by any of the following methods: hand delivery to the office, via email to, or via mail to **30 Metro Apartments** or **NP Dodge Management Company Corporate office**: The tenant’s written request for an emergency transfer should include either:

If **30 Metro Apartments** does not already have documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking, **30 Metro Apartments** may ask for this documentation in accordance with 24 CFR 5.2007. Unless **30 Metro Apartments** receives documentation that contains conflicting information, as described in 24 CFR 5.2007(b)(2), **30 Metro Apartments** cannot require third-party documentation to determine status as a VAWA victim for emergency transfer eligibility. **30 Metro Apartments** will provide reasonable accommodations to this policy for individuals with disabilities.

Required Written Documentation for an Emergency Transfer

The tenant’s written request for an emergency transfer must include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or household member) stays in the same dwelling unit; **OR**

2. In the case of a tenant (or household member) who is a victim of sexual assault, **either** a statement that the tenant reasonably believes there is a threat of imminent harm from further violence or trauma if the tenant (or household member stays in the same dwelling unit), **or** a statement that the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when the assault occurred.
3. Form HUD-5383 may be used for making a written request for an emergency transfer and can be provided by **30 Metro Apartments** or found online at <https://www.npdodgemanagement.com/vawa-help-page>
4. The tenant will have 14 business days to provide the requested documentation of the VAWA victim status.

Emergency Transfer Timing and Availability

30 Metro Apartments cannot guarantee that a transfer request will be approved or how long it will take to process the request. However, the **30 Metro Apartments** will act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. VAWA provisions do not supersede eligibility or other occupancy requirements that may apply under a covered housing program. **30 Metro Apartments** may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If **30 Metro Apartments** has no safe and available units for which a tenant who need an emergency is eligible, **30 Metro Apartments** will assist the tenant in identifying other Owner/Agents who may have safe and available unit to which the tenant could move. At the tenant's request **30 Metro Apartments** will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Internal transfers when a safe unit is immediately available:

If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant is being transferred. **30 Metro Apartments** may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Internal transfers when a safe unit is not immediately available:

If the **30 Metro Apartments** does not have a safe unit immediately available for an internal emergency transfer, the victim will be place on the Emergency Transfer Waitlist, if it exists, will take precedence over applicants on other property waitlists.

External transfers:

If **30 Metro Apartments** has no safe and available units for which an existing tenant who needs an emergency transfer is eligible, a tenant may also request an External Emergency Transfer. A tenant may choose to pursue both an internal and an external transfer at the same time.

In cases where **30 Metro Apartments** determines that the family's decision to move out of the **30 Metro Apartments'** unit was reasonable under the circumstances, **30 Metro Apartments** may wholly or partially waive rent, and any rent owed shall be reduced by the amount of the rent collected for the remaining lease term from a tenant subsequently occupying the unit.

A Housing Choice Voucher ("HCV") participant will not be denied portability to a unit located in another jurisdiction so long as the participant has complied with all other requirements of the HCV program and:

5. Has moved from the unit in order to protect the health and safety of an individual member of the household who is or has been the victim of domestic violence, dating violence, sexual assault or stalking and,
6. Who reasonably believes the tenant or other household member(s) will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

Priority of VAWA Emergency Transfers over Other Categories of Emergency Transfers

Tenants who qualify for an emergency transfer under VAWA will be given the following priority over other categories of tenants seeking transfers and individuals seeking placement on waiting lists.

In general **30 Metro Apartments** will prioritize needs of existing tenants over external transfers, and opportunities to maximize use of accessible units (see next section). The order for priority of VAWA Emergency Transfers will be as follows:

1. First priority will go to Internal Emergency Transfers, including VAWA Emergency Transfers. Priority among VAWA Emergency Transfers and other non-VAWA Emergency Transfers will be evaluated on a case-by-case basis if such conflicts arise.
2. Second priority will go to other Internal Transfers that are not emergencies.
3. Third priority will go to the External VAWA Emergency Transfers.

Accessible Units: In order to meet the requirements of HUD Section 504 to maximize use of accessible units by those who need accessibility features, **30 Metro Apartments** will apply the following order of priority for accessible units only:

1. First Priority will go to a current occupant of the property who needs the accessibility features of the vacant unit.
2. Second priority will be to an eligible qualified individual on the waiting list who needs accessible features.
3. Third priority will go to individuals with out disabilities who need an emergency transfer under VAWA.

Confidentiality

If a tenant inquires about or requests any VAWA protections or represents that they or a household member are a victim of VAWA violence/abuse entitled to VAWA protections, **30 Metro Apartments** must keep any information they provide concerning the VAWA violence/abuse, their request for an emergency transfer, and their or a household member's status as a victim strictly confidential.

This information should be securely and separately kept from tenant files. All the information provided by or on behalf of the tenant to support an emergency transfer request, including information on the Certification Form (HUD-5382) and the Emergency Transfer Request Form (HUD-5383) (collectively referred to as "Confidential Information") may only be accessed by **30 Metro Apartments** employees or contractors if explicitly authorized by **NP Dodge Management Company** for reasons that specifically call for those individuals to have access to that information under applicable Federal, State, or local law.

Confidential information must not be entered into any shared database or disclosed to any other entity or individual, except if:

1. Written permission by the victim in a time-limited release;
2. Required for use in an eviction proceeding or hearing regarding termination of assistance; or
3. Otherwise required by applicable law.

In addition, HUD's VAWA regulations require emergency transfer plans to provide strict confidentiality measures to ensure that the location of the victim's dwelling unit is never disclosed to a person who committed or threatened to commit the VAWA violence/abuse. Accordingly, **30 Metro Apartments** Will keep a record of all emergency transfers for a period of three (3) years or for a period as specified in program regulations.

Safety and Security of Tenants

When **30 Metro Apartments** receives any inquiry or request regarding an emergency transfer, **30 Metro Apartments** will encourage the person making the inquiry or request to take all reasonable precautions to be safe, including seeking guidance and assistance from a victim service provider. However, tenants are not required to receive guidance or assistance from a victim service provider.

Public reporting burden for this collection of information is estimated to range from four to eight hours per each covered housing provider's response, depending on the covered housing program. This includes the time to develop program and project-specific emergency transfer policies and develop contacts with local service providers. Comments concerning the accuracy of this burden estimate and any suggestions for reducing this burden can be sent to the Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street, SW, Washington, DC 20410. This is a model plan and covered housing providers in programs covered by VAWA may, at their discretion, use it to develop their own emergency transfer plans, as required under 24 CFR 5.2005(e). While HUD does not intend to collect emergency transfer plans, HUD may access these plans to ensure compliance with the regulations. A Federal agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.
