## **WHY FCA?**

FCA has always been a part of my life. My Parents were the FCA sponsors at Russell Co High School. I've celebrated many birthdays as a kid at the State FCA convention. I was raised by coaches, I was an athlete and coach and I believe there are few things that have a greater impact on the lives of young people than experiencing FCA in their schools and and being able to receive the love, joy, peace, and fulfillment that comes from a life found in Jesus Christ. It is an honor to be able to serve and help in the spreading of the gospel to all young people across the state of Kentucky.
