CAREER

MassMutual

**Head of Field Management,
South Region
Mass Mutual**

As an executive with over twenty years' experience, Michelle Pedigo is the Head of Field Management for the South Region of MassMutual Financial Advisors, a role she assumed in July 2016 as part of MassMutual's acquisition of MetLife's Premier Client Group. In addition, she leads a core team focused on MassMutual's ProGrowth movement that empowers saleswomen to grow their practices while at MassMutual.

Before joining MetLife in 2002, she was named the 2001 MetLife/National Association of Secondary School Principals' National Middle School Principal of the Year, an honor she earned while serving as Principal of Barren County Middle School in Kentucky. Under her leadership, Barren County Middle School became one of four nationally recognized "Schools to Watch."

WHY FCA?

I support FCA because it goes to the people! The ministry is alive and well in reaching people and supporting their growth in their relationship with Christ.
