As an officer, I will be accountable to the other officers, Huddle Coach(es) and FCA staff. I understand that if I am found being involved in a lifestyle that does not conform to the FCA's Sexual Purity Statement, or break my commitment to living a drug-, alcohol- and tobacco-free life, that it means that I will need to step down from my leadership position with the Fellowship of Christian Athletes. This does not mean that I am a bad person and that the FCA and God does not love me and want me involved; this is to protect the integrity of the ministry and to protect the ones to which we are ministering.
