NAMB Membership Levels

Professional \$150/Yr	Associate \$150/Yr	Newly Licensed FREE	Corporate Varies	Explorer Courtesy Membership
For state licensed or federally registered Mortgage Loan Originators listed on NMLS Consumer Access. Professional members receive full NAMB member benefits , including access to discounted CE, professional certifications, NAMB Hive, member discounts, conference registration, and the NAMB member directory. Includes full voting rights.	For mortgage support staff and service providers who play a vital role in the mortgage industry but do not qualify for Professional membership. Associate members receive full NAMB member benefits , including access to discounted CE, certifications, NAMB Hive, member discounts, and conference registration. <i>This membership class does not carry voting rights.</i>	Are you Newly Licensed? Start your career on solid ground. NAMB's Newly Licensed Professional membership* gives you immediate access to the education, advocacy, and community -- at a rate designed for where you're starting, not where you're going. *Only for mortgage professionals who are newly licensed in the industry for the first time for less than one year. First-time members only. This membership class does not carry voting rights.	Designed for companies that wish to enroll five or more individuals under a single membership. Each individual under the corporate membership receives full NAMB member benefits , including access to certifications, NAMB Hive, member discounts, and conference registration. Pricing varies based on the number of members enrolled. This membership class does not carry voting rights.	NAMB Explorer is your no-cost introduction to the nation's foremost mortgage association. As an Explorer, you'll receive a member profile and access to NAMB webinars so you can experience the community before transitioning to a full membership tier. NAMB Explorer is designed as a short-term introductory membership. This is a 2-year membership and we encourage Explorers to transition to a paid membership tier to unlock the full power of NAMB.
