

Creators of bespoke photobooth experiences.

We are Boothco

WHO WE ARE

A team of socially-obsessed innovators, event enthusiasts and experts in content creation and visual experiences.

WHAT WE DO

We partner with top brands and agencies to create social value by making it fun for consumers to engage with brands at events and share their experiences online.

HOW WE DO IT

Using our innovative range of digital solutions together with our team of event legends, we inspire consumers to create, capture & share their experiences on social media.

Selfie Pod

Bring the Christmas spirit to life with our Selfie Pod!

Perfect for festive parties and end-of-year celebrations, our pod captures magical moments while shining a spotlight on your brand. Sleek, modern, and fully customisable with your company's festive logo and messaging, it delivers instant photo sharing, fun digital features, and a seamless guest experience.

Whether it's a Christmas party, corporate celebration, or winter wonderland event, our Selfie Pod spreads cheer, boosts brand visibility, and leaves guests with memories as bright as the holiday lights.

Roamer

Festive Fun, Captured Anywhere

Our roamer is the ultimate Christmas party crowd-pleaser—bringing the magic of a photobooth right to your guests. Instead of standing in line, our roaming attendant mingles through the event with a glowing handheld ring light and camera, capturing festive selfies, group shots, and candid moments wherever the celebration takes them. It's spontaneous, interactive, and keeps the Christmas cheer flowing from the dance floor to the dinner tables.
