

COVID-19

IMPORTANT – PLEASE READ

Prior to entering the clinic, if any of the following applies to you, please self-isolate and contact us via phone to arrange a future appointment.

1 RECENTLY ARRIVED IN AUSTRALIA

If you have recently arrived in Australia from overseas from March 16 onwards, the Australian Government has mandated that you must self-isolate for 14 days and monitor your health for symptoms.

2 HAD CONTACT WITH A COVID-19 CASE

If you have recently been in contact with a person with confirmed COVID-19, or who is at high risk and is showing symptoms.

3 IF YOU ARE CURRENTLY EXPERIENCING:

- ▶ **Fever**
- ▶ **Flu-like Symptoms**
- ▶ **Shortness of Breath**

If you suspect you or a family member has COVID-19 you should call (not visit) your GP or ring the national Coronavirus Health Information Hotline on 1800 020 080.

For more information concerning COVID-19 (Coronavirus), please contact the Department of Health information line on:

1800 020 080

TIPS: Wash your hands regularly and avoid touching your face or shaking hands. If you are feeling sick call your GP or the National Health Information Line on: 1800 020 080.
