

## WE EXIST TO . . .

RYTH exists to love, equip and encourage the NextGen to follow Jesus and be His church everywhere they go.

## WHAT TO EXPECT . . .

## HOW TO . . .

For families with multiple children. After entering your email and clicking "begin registration" the second page is where you will enter your children's names. Add your first child in the blank and then click "+ another registrant" for each child you are registering. There will be fields to add an email and phone number for the child, those fields are not required.

## NEED TO KNOW . . .

- Students may receive a light snack or treat but no meal. Please be sure to let us know if there are any allergies or food concerns.
- Weather related announcements or schedule changes will be made on our website, social media and email.
- To help us communicate effectively and keep your child safe during ministry activities, it's essential that each family reviews and updates their information annually. This ensures full participation in ministry events, including travel and photo release permissions.
- We use Realm Connect and email to communicate, so it is important all contact information is accurate – especially phone numbers and email addresses.
- We will attempt to communicate with students through our **Realm Connect** app. Please download this app as well. As a parent/guardian in our system you will be able to see all posts and communications within this group. This holds leaders and students accountable for their written words and actions.
- Parent / Guardian you can find a copy of the FAMILY WAIVER & RELEASE OF LIABILITY on our website. During registration you will be electronically agreeing to these terms. *Typing and submitting your name during registration signifies you are completing this form using an electronic signature. By signing electronically and submitting, you are certifying that you have read, understand, and agree to the waivers and release of liability.*
