## **PAYMENT OPTIONS FOR EVERY FAMILY WE SERVE**

One of the most important responsibilities that we have to each family we serve is to bring your emotional and financial needs together, whatever the situation may be. As part of our consultation with your family, we will discuss the different options we offer to help you with the funeral expenses. Our goal is to ensure that the services and merchandise you choose will fit into your financial situation. Payment arrangements must be discussed and made during the arrangement meeting. Payment for all services, merchandise and cash advances are due in full by the day the services are rendered.

### **ACCEPTABLE METHODS OF PAYMENT:**

- Option 1: \_\_\_\_\_ Pre-Arranged (Policy must be at least two years old or fully funded)  
Option 2: \_\_\_\_\_ Cash or Check  
Option 3: \_\_\_\_\_ Credit Card (3.5% service fee taken by the credit card company at time of purchase)  
Option 4: \_\_\_\_\_ Life Insurance Assignment Paid Through Top Tier Funeral Funding (3% service fee taken by TTFF)

Life Insurance Policies are funded and advanced through Top Tier Funeral Funding (TTFF). The assignment fee is 3% added to the total assigned amount of the funeral contract and is taken by TTFF at the time of payment.

Note: Insurance assignments require the following criteria:

- Original insurance policy
- Verification of the beneficiary
- Verification that the policy is in force
- Verification that the policy is not contestable
- Verification that the policy is assignable to the funeral home
- Verification that there are enough funds to cover the funeral expenses

Insurance assignments may be acceptable if this criterion is met. If the certified death certificate is delayed for any reason, other payment options presented must be in place. Your funeral director will discuss this in detail with you.

## **ABOUT OUR GOODS & SERVICES**

## **PROFESSIONAL SERVICES**

### **BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF**

\$3,695

Our charge includes consultation with the family or responsible party; staff and facilities to respond to initial requests for services; coordinating service plan with cemetery, crematory and/or other parties involved in the final disposition of the deceased; and securing official documents and necessary registrations and basic sheltering of deceased. This fee for basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremation, immediate burials and forwarding or receiving remains.

### **INTERNATIONAL SERVICES**

\$500

Our charge applies for remains conveyed outside the Continental United States. This charge covers cost of additional phone calls, faxes, and overnighted paperwork to consulates or embassies of other countries. This does not include translation or any additional fees of consulates or embassies.

### **EMBALMING**

\$755

Except in certain cases the law does not require embalming. Embalming may be necessary, however, if you select a funeral arrangement, such as funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for embalming such as immediate burial.
