## **PAYMENT OPTIONS FOR EVERY FAMILY WE SERVE**

One of the most important responsibilities that we have to each family we serve is to bring your emotional and financial needs together, whatever the situation may be. As part of our consultation with your family, we will discuss the different options we offer to help you with the funeral expenses. Our goal is to ensure that the services and merchandise you choose will fit into your financial situation. Payment arrangements must be discussed and made during the arrangement meeting. Payment for all services, merchandise and cash advances are due in full by the day the services are rendered.

### **METHODS OF PAYMENT**

- Option 1: \_\_\_\_\_ Pre-Arranged (Policy must be at least two years old or fully funded)
- Option 2: \_\_\_\_\_ Cash or Check
- Option 3: \_\_\_\_\_ Credit Card (3.5% service fee taken by the credit card company at time of purchase)
- Option 4: \_\_\_\_\_ Life Insurance Assignment Paid Through Top Tier Funeral Funding (3% service fee taken by TTFF)

Life Insurance Policies are funded and advanced through Top Tier Funeral Funding (TTFF). The assignment fee is 3% added to the total assigned amount of the funeral contract and is taken by TTFF at the time of payment.

Note: Insurance assignments require the following criteria:

- Original insurance policy
- Verification of the beneficiary
- Verification that the policy is in force
- Verification that the policy is not contestable
- Verification that the policy is assignable to the funeral home
- Verification that there are enough funds to cover the funeral expenses
