Waiting Area / Parking Lot

Our waiting area is open for all family and friends waiting for dancers while in class. **We ask that if you bring food in, you clean up your trash and put it in the trash receptacles before leaving. We also ask that you do not allow the children to practice, do acro tricks or run in the lobby.** The floors can be wet and slippery this time of year. TV monitors are on for your convenience to view classes, however, they go out from time to time because of internet interruption or loss of power. We apologize for the inconvenience.

While driving in and out of our parking lot please use caution. **PLEASE STOP AT THE STOP SIGN BEFORE DRIVING TO THE BACK OF THE PARKING LOT.** Always drive slowly and watch for students between cars going into and exiting the building. **Do not park or wait in front of the main entrance at any time.** The flow of the parking lot is one way. Please park and when you see your student exit the building drive around for pick up or we advise walking to the door to assist them to your vehicle. It is imperative that we keep the flow of the parking lot moving. We appreciate your help and cooperation to keep the parking lot as safe as possible.
