PUBLIC COMMENT

- Sandy Webber: Presented on options for the Levy that was passed at the annual meeting.

PFAS was not being burnt at a high enough tempt to burn it off

PRESENTATIONS

- Bryce Otte

Bryce presented his plan for weed control in the township as well as discussion about gravel and chloride applications

- Mike Slavik: round-about bids have begun. We will hear more about the project in May
- Matt Belanger: Promoting free well water testing every 5 years for well owners

ROAD REPORT

- Road Closure 275th

Road closure work has already been completed

- Snow Plowing Review

Successful season with Otte
