

Subject: Free Water Testing for Dakota County Residents

Date: Monday, September 29, 2025

Time: 6:00 to 8:00 pm

Location: Sciota Township Hall, 30038 Alta Ave (Co Rd 59), Northfield, MN 55057

The seminar will provide information on well-owner best practices, water quality, contamination concerns, karst geology, well assessment, and more.

Dakota County Well and Septic Inspectors will be in attendance as a resource. Participation in the seminar is not required to obtain the free well assessment and testing.

Questions and concerns about this event should be directed to Jesse Campbell at 816-676-8610 or fcampbell@map-inc.org.

We're just passing this information along to help share about the resources available.

Thanks!
