April 2021 - President's Comment

April Fools, Easter, and Arbor Day are all events in April that are celebrated

April Fool's Day is an annual custom on April 1 consisting of practical jokes and hoaxes. Easter Sunday, April 4th, also known as Resurrection Sunday, is a Christian festival, celebrating the resurrection of Jesus Christ from the dead. Arbor Day, April 30th, was started back in 1872 by a member of Nebraska's State Board of Agriculture to repopulate his home state with trees.

What are you celebrating this month? Birthday, anniversary, being vaccinated? I'm going to plant a tree, put some eggs under it, and yell April Fools.
