- Word of Life - "Palliative care and hospice are precious and crucial instruments in the care of patients with serious and complex chronic or terminal illnesses, and they help provide comfort to both the patients and their families. While palliative care cannot entirely eradicate suffering from people's lives, it provides an authentic expression of human and Christian care—allowing us to 'remain' at the side of a suffering person, as the Blessed Mother and the beloved disciple remained at the foot of the Cross…The path of accompaniment until the moment of death must remain open, with appropriate care for body and soul customized to the personal needs of the patient." - USCCB Secretariat of Pro-Life Activities - "The Witness of the Good Samaritan: Palliative Care and Hospice".
- Stewardship – Nov. 8, 2026 (32nd Sunday in Ordinary Time) - Compliments of the Diocese of Dodge City, KS – "'The greatest among you will be the one who serves the rest,' Jesus says in today's Gospel. What wonderful good news for those who give of their time in service to others!"
