ALL YOU MAGNIFICENT HUMANS - THIS IS FOR YOU
Get an overview of what Pope Leo has to say about the pros and cons of the technological revolution facing every single one of us - it's impact on the Parish, our society in this country, and across the world. Three questions: (1) who are the people pushing AI? (2) who owns it? and (3) what are their plans?
If your answer to any one of these questions is 'DON'T KNOW', this is your chance to find out. You will almost certainly be very surprised at Pope Leo's ideas on how we must respond to the situation. Please put it in your diary:
Deacon Philip's talk about *Magnifica Humanitas,* Tuesday 17th November at 7.00pm, St Mary's Parish Hall.
