

THIS WEEK IN WORSHIP

Executive Pastor, David Washco

Have you ever made a decision that felt right in the moment... but led to unexpected regret? Whether it's in relationships, finances, or faith, we've all taken paths that "seemed right" but ended up leading us in the wrong direction. [Proverbs 16:25](#) speaks directly to that experience, warning us that not everything that feels right is actually wise. This week, we'll explore how God offers a better way—not just correction, but a course for life, peace, and purpose.

Join us as we walk through [Proverbs 16](#) and discover how to navigate life's decisions with more than instinct or emotion. You'll be encouraged by the truth that God doesn't just want to steer you away from destruction—He wants to lead you into something far better. If you've ever felt stuck, confused, or unsure of your next step, this message is for you.
