## Sponsorship Program

fcfirecrackersvbc.org

### Support a Player. Support the Club.

As a part of our Financial Assistance Program, FC Firecrackers is excited to offer a Sponsorship Program that provides a way for players, club and community to partner together to support and enable an organization to grow and develop young athletes in the wonderful sport of volleyball. The program is designed to provide players an opportunity to gather community sponsors to help offset their dues. Use your influence and connections to create a win-win for all involved. Businesses, organizations, churches, civic organizations and even individuals are a few of those eligible.

**Dollar-for-dollar reduction:** When a Sponsor donates to the Club in a player's name, the player's dues are reduced by the same amount. Based on the sponsorship level, the Sponsor may also receive logo space or a home-gym banner for up to one year.
