## Sponsorship Program

fcfirecrackersvbc.org

As a part of our Financial Assistance Program, FC Firecrackers is excited to offer a Sponsorship Program that provides a way for players, club and community to partner together to support and enable an organization to grow and develop young athletes in the wonderful sport of volleyball. The program is designed to provide players an opportunity to gather community sponsors to help offset their dues. Use your influence and connections to create a win-win for all involved. Businesses, organizations, churches, civic organizations and even individuals are a few of those eligible.

There is a **dollar for dollar reduction in a player's dues** when a Sponsor donates to the Club in that player's name. If desired, and based on the amount of the sponsorship, the Sponsor may receive space for their logo on the Club media outlets or a banner in the home gym for a specified amount of time, but not to exceed one year. The Sponsorship Levels and size for logo space are listed below:

White -	\$1 - \$249	None
Red -	\$250 - \$749	Small – For length of current season
Blue -	\$750 - \$1499	Medium – For one year
Black -	\$1499 - \$3499	Large – For one year
Gold –	\$3500 and above	Banner in home gym – For one year
