NOTE FOR BURIAL FEES

Any person in permanent residence within North Northamptonshire at the time of death may be buried in a cemetery of the Authority at the basic fees determined in the Authority's fees and charges applicable at that time.

Any person not in permanent residence within North Northamptonshire at the time of death may be buried in a cemetery of the Authority at the basic fees determined in the Authority's fees and charges **multiplied by 2**, this is the Non resident fee.

This Non resident fee will apply where a grave **is being opened for the first time** and the deceased was not resident in North Northamptonshire and did not meet any of the exemption requirements from that fee (NOTE: burial includes cremated remains).

Exemptions are:

Where the deceased was a resident but was required to move from their home due to age or infirmity – subject to evidence of residence and reason for relocation.

The deceased died whilst away from home serving with HM armed forces.

The deceased would have been buried in an existing grave but the geology of the site is such that only single depth graves can be dug. (Broughton, Desborough & Rothwell).

Where the deceased is a child (under 18) then the above paragraphs apply and evidence of the parent's residency may be required.

Note: Details of the person for whom an exclusive right of burial is being purchased in advance will be required and residency checks may be carried out.

"Existing Grave" means a grave currently containing a coffin or cremated remains. It does not refer to reserved grave space.
