(The Digital Edition)

e-News and Notes

March 15, 2026

FROM THE PASTOR

May God bless each of you today for obeying Him by being in His house.

Today we have Spirit-filled preachers that have added SO MUCH to all of us. Brother Daniel Jordan has been used by God through his preaching and his family's singing to bless His people all over several states. We thank God for using this godly family mightily for His glory. Brother Daniel will preach to our very souls this morning.

Tonight, Brother Job Mangum will preach for our TCS Night. He and Danielle will dedicate Esther Grace to God this morning. What a special day in the lives of the Mangums and Jordans! To have part of the GREAT GRANDPARENTS here to enjoy this is a special blessing!

God has blessed us with the new elementary building and we thank God for allowing us to be able to build it. You may go through it any Monday through Friday. Ask Brother Tony, Brother Scott, or Brother Stephen to give you a tour. Thank God for all He is doing with His ministry here.

Today

This morning, Job and Danielle will dedicate Esther Grace to the Lord. We are so thankful to have young families who want to give Jesus their all and raise their children for Jesus!

Tonight will be **TCS Night**. Brother Job will preach. Please join Brother Job in prayer, and be sure to try to get students and their families to come hear him preach to their soul.

The Terry Family

We are always so happy to have the parents of Sister Heather Jordan with us. They raised and God made a great, godly daughter out of Sister Heather. She and Brother Daniel have been given REPEATS of themselves through their three children. Our lives and homes are used by God for good or satan will use them for bad if our homes are evil.

Brother Dave Clemmer

Brother Dave Clemmer has battled congestive heart failure/cardiomyopathy since 2013. After being without insurance and unable to see a cardiologist for 1.5 years, recent testing in Colombia showed his condition has advanced. While in North Carolina seeking health coverage, he briefly went into cardiac arrest and fainted on Tuesday, March 10. He was treated in the ER and released with a Zoll Life Vest for protection against another episode. He is scheduled to see an advanced heart failure specialist on April 6, 2026.

Please pray for Brother Dave, his wife as she manages ministry needs in Colombia and Peru, their family, and for God's wisdom and provision.

Brother Brian Gurley

Please remember Brother Brian Gurley in prayer. The doctors are still awaiting the results of the biopsy taken from the lower part of his brain three weeks ago. This past Thursday, he was taken to the hospital due to side effects from the tumor and medication, and he will likely remain there through the weekend. Please pray for Brother Brian and for his family as well.

Tabernacle Christian School

Please continue to help us labor in prayer for our school. Every day is filled with opportunities to educate the students while pointing them to Christ. We thank God for our students, parents, and our godly staff. We are already looking forward to next year. The Lord has helped us greatly this year, and we expect even greater things next year.

Ladies' Corner

I have seen several people this week prepping the ground in preparation of planting their gardens in the coming months. Whatever you plant, that is what will grow. If you plant corn, you will have corn grow in your garden. This so applies to us spiritually. If you plant nothing, you will have nothing. If you plant seeds of resentment, ungodliness, or wrong attitudes, you will have a **root of bitterness**. Hebrews 12:15 says, "Looking diligently lest any man fail of the grace of God; lest any root of bitterness springing up trouble you, and thereby many be defiled;" This is like a poison that will not just cause harm to you but harm to your home, also. Plant seeds of mercy, and you will have mercy. Plant seeds of kindness, and you will receive kindness. Plant seeds of giving, and you will receive as it will be given back to you. What is in your garden?

Ladies' Meetings

We will have our **BBT ladies' meeting** on Saturday, March 28, at **11 am** in the church foyer. Our theme is "Fun in the Son!" Please plan to come.

Also, on Saturday, April 25, from 10 am – 2 pm, Sister Judy Kirchinger and Anchor Baptist Church will hold their 33rd annual ladies' meeting. Please plan to go and support Sister Judy and the ladies of Anchor Baptist. Lunch will be provided.

High School Building

Please include in your prayers a new high school building for TCS. We have mentioned an extension to the back of our church with classrooms downstairs with an elevator leading to a church fellowship area upstairs. We have not discussed this much, but please start praying about it.

Special Prayer

Please pray for Brother Tommy Mangum and his wife Lorraine. Also, pray for Brother Harold Millican and Brother Dave Clemmer. These three dear men need our daily, earnest prayers.

TCS Athletics

The TCS baseball and girls' soccer teams will have a full schedule this week (weather permitting). With a make-up game for the girls, the soccer team will play home games Monday, Tuesday, and Thursday at Parks Williams Park at the old fairgrounds. The baseball team will play at home Tuesday and Thursday. Come out and cheer for the teams!

The Bible quiz teams will compete in the state fine arts Wednesday in Raleigh. Please pray that the scriptures they have studied and memorized will be fresh on their mind. Bible quizzing may prove to be one of the most important and effective learning tools of the TCS ministry.

Singles

Please pray for our college students who are away right now. They only have a couple months left of the semester, and then we hope many of them return home for the summer.

Also, remember our singles who are here at home going to college or working. While they may still have the comforts of home, they face many of the same challenges as those who are away from home.
