FROM THE PASTOR

Have you considered recently how good God is to you and those dearest to you? Have you thanked Him? Oh, we are all shocked and amazed at His goodness to us and ours. May we thank Him daily and praise Him openly. He must want us to praise Him as His Holy Writ tells mankind to "Praise Him" many times. Please thank Him and praise Him often. "Praise is comely for the upright." (Psalm 33:1) We have seen ladies become beautiful just by being godly and praising God. Please do not have any shame or embarrassment when you are praising God. Ignore the devil when he discourages you. God loves our praise.

This morning, Sister Crystal Harpe will testify. By God's grace, this will be a part of our Sunday morning services in the future.

Thank you for being in God's house today. This has been God's house for nearly 56 years. He has met with us here, saved many here, and sent out many preachers from here. He has blessed us so many times. Love and pray for His church.

Sunday Night Supper

Next Sunday, March 1, we will have supper out in the gym immediately following the evening service. Please plan to stay and enjoy a brief time of food and fellowship. Ladies, please bring a drink and a dessert.

Saved, Hallelujah!

God saved a precious mother this past Thursday night in her home as Brother Job visited her and her family. Oh, we want all our members to love sinners and souls with all their being and go after them. We can see through Tony and Job that visiting them in their homes is so used by our Lord. May we not stop, but do more. Help us visit our unsaved friends, loved ones, and others. Please GO AFTER SOULS, friends, and others.

Our Youth

We are so thrilled and blessed to see Jameson in our prayer room when he is here. Isaac is so faithful to God in prayer and visitation. Did you know God sees this, takes note of it, and will reward it for decades in their lives? He does not forget. We have dear young ladies who are the same way. God has GREAT DAYS ahead for them.

Older Members

PLEASE love our senior citizens. They will go to Heaven one by one, and we will regret not spending more time loving on them. The pastor has experienced this personally while visiting their homes and loving them in his stronger, youthful days. Do not let this slip up on you.

Visitation

The pastor, Brother Gary, and more of our men knocked on doors, witnessed, and pleaded with folks to come to our church about as long as we were able to do so. Now it is time for many of our younger people to go. Please join Brother Tim and others on Thursday night. Isaac Royal, just out of high school, goes each week. Please pray and go with them.

College Kids

Please do not forget to reach out to the college students of BBT, especially those who get to come home so rarely during the semester. We all hope they wind up back here with us, but it is very likely many will not. Please pray that God blesses them and uses them wherever they go and that BBT always feels like coming home to them.

Ladies' Corner

We can sometimes feel very small and not of much value to anyone, but even when we have moments like this, we have a God that reaches down into our lives and shows us that we are of value to HIM. You may feel that no one cares about you or sees you, but He does. I was worried about something this past week. It was not a huge problem, but it was something I was dealing with that night, so I prayed about it. In less than 5 minutes, I heard my phone ring. When I looked down at my screen, I saw that it was the confirmation that what I was concerned about was handled. It might not be important to most, but to me, it was an issue that only me and the LORD knew about, and He took care of it. I immediately thanked the Lord and told Him that He is so BIG and yet He cares for my smallest problems. In that moment, I felt as if I were being cared for like a child does when he is held by his parent. Do you not just love that about our GOD? Do not worry about being the most popular person whose name is called all the time or the one who gets so much praise. Just remember, our GOD sees us and cares.

TCS Night [March 15!]

Lord willing, we are having TCS Night on March 15. Brother Job will be preaching. Let's join Job in praying and also trying to get students to come hear him preach to their soul.

That morning, Job and Danielle will be dedicating Esther Grace to the Lord! We are so thankful to have young families who want to give Jesus their all and raise their children for Jesus!

TCS BBQ

The annual TCS BBQ is on Friday, March 6, from 10:00 am – 6:00 pm. The students have been busy selling tickets for the past week. If you have not bought a ticket, please see one of the students today. There will be marinated chicken and pork plates (1/2 lb. meat, slaw, chips, bread, and dessert) for \$13, and bulk tickets (1 lb. of meat only) for \$15. Please purchase one today if you have not done so already.

Ladies, we will need your help with desserts. Please plan to bake a pound cake (or two or three) to help us out. We will ask for volunteers next week.

TCS Athletics

We appreciate the volunteer coaches of TCS. We have many graduates, parents, and grandparents who have volunteered to help us with our sports teams. It is such a blessing to have willing volunteers step forward and help while we develop our programs. Thanks to all who have helped us over the years.

The baseball team has begun practice and girls' soccer will start this week, Lord willing. Games are right around the corner. Come support the TCS teams.
