SRN: NO-MF-000010301
Hagebyvegen 40
3734 Skien
Norway

Production Site: ROTO GROUP d.o.o.
Gorička 150, Černelavci
9000 Murska Sobota
Slovenia

We have been notified that the following medical devices bear the CE-mark in accordance with Regulation (EU) 2017/745/Regulation (EU) 2017/746:

Product Name	Certificate number	Basic UDI-DI
EasyRoller	N/A	709006211EASYROLLER2R
EasyRoller Pool	N/A	709006211EASYROLLER2R

The precondition for medical devices to be CE-marked in accordance with Regulation (EU) 2017/745 on medical devices and Regulation (EU) 2017/746 on in vitro diagnostic medical devices is to meet the essential requirements for safety. A CE-marked medical device may be marketed within the European Union/European Economic Area without any approval from the Norwegian Medical Products Agency, and may be exported without any restrictions.

This certificate is valid until 12. February 2028
