CUSTOM VAULT DOORS AND ART DESIGN

Vault Pro USA Specializes in High End Custom American Made Vault & Storm Shelter Doors.

Looking for a custom vault door installation? Let Vault Pro help you create the perfect vault door customized for your home or business. Our team of American craftsman can not only build a custom vault door for your storm shelter or walk in vault room, they can also personalize the look of your door. We can paint your vault door in virtually any color. Add your initials, favorite team logo or business identity to any vault door.

XL Series 96" tall
American flag and 2nd Amendment

Bring Your Concept to Us
We'll make it happen.

2nd Amendment
Custom Art

One client, two doors. This client wanted something special for his game room, which is tricked out to look like an old mine. This Titan series door got the full Hollywood treatment and is aged to look like it's been underground for a hundred years. The second Titan door (below) also features the family coat of arms and custom art.

Add your initials, favorite
team logo or business
identity to any vault door.

EMERGENCY ESCAPE HATCHES FOR SAFE ROOMS & STORM SHELTERS

Vault Pro Hatches are built to exceed FEMA 320, 361 and ICC-500 recommended standards.

36" x 36" Wall Hatches

Elite wall hatch with step-system door. Outswing model.

Inswing wall hatch.

Vault Pro wall hatches are available in three series. Internal release is standard on all models.

- **Executive** - 1/4" front plate, 1" composite door, 10 - 1" locking bolts, 1HR fire.
- **Elite** - 1/4" front plate, 2" step-system door, 10 - 1 1/2" x 4" locking bolts, 120 min. fire.
- **Atlas** - 1/2" front plate, 2" step-system door, 10 - 1 1/2" x 4" locking bolts, 120 min. fire.

36" x 36" Roof Hatches

1/4" steel construction, heavy-duty stainless steel gas shock, dual siliconized rubber gaskets seal base. Wimbleton white marine grade polyurethane finish.

An Emergency Escape Hatch provides a secondary means of escape should the primary exit from a shelter or safe room become blocked, unusable or unavailable.

36" x 36" Lay Flat Floor Hatches

Lay Flat Floor Hatch with heavy duty stainless steel gas shock (American Made). Available with or without optional grip handle.

DAY GATES · ADA VAULT DOORS

Vault Pro Self Closing Day Gates are designed and built to be used exclusively with Vault Pro Atlas, Elite and Titan Series Vault Doors where visual security is required.

ADA Accessible Vault Doors. Built to Americans with Disability Act Standards for Accessibility.
