

Registered Nurse

\$59.46 per hour - Casual \$47.57 Permanent part time.

Position Purpose

The Registered Nurse Manager is responsible for the safe, effective, and client-centred delivery of DVA Community Nursing Services. The role ensures compliance with Department of Veterans' Affairs (DVA) Community Nursing Guidelines, supports the nursing team, and promotes best practice care that enables veterans and war widows to remain at home with dignity and independence.

Key Responsibilities

Clinical Governance & Compliance

- Ensure all nursing services are delivered in line with the DVA Community Nursing Guidelines and relevant professional standards (AHPRA, NMBA).
- Maintain up-to-date clinical policies, procedures, and documentation to meet DVA contract requirements.
- Oversee risk assessment, incident reporting, and quality improvement activities within the service.

Leadership & Supervision

- Provide professional leadership, clinical supervision, and mentorship to Registered Nurses, Enrolled Nurses, and Assistants in Nursing.
- Support workforce capability through orientation, training, and performance review

Client Care Coordination

- Conduct complex assessments and develop individualised care plans in partnership with clients, carers, and families.
- Monitor and review clinical outcomes to ensure services remain responsive and appropriate.
- Coordinate escalation of care needs and referrals to other health professionals as required.

Communication & Reporting

- Act as the primary point of contact for DVA Community Nursing queries.
- Maintain accurate and timely documentation and reporting in client records and to DVA.
- Build strong relationships with GPs, hospitals, allied health providers, and DVA representatives.

Key Selection Criteria

- Current registration with AHPRA as a Registered Nurse.
- Minimum 2 years' experience in community nursing
- Demonstrated knowledge of DVA Community Nursing Guidelines and funding arrangements.
- Strong leadership, mentoring, and team-building skills.
- Excellent clinical assessment and care planning skills, particularly for veterans and older clients.
- High level of organisational, documentation, and communication skills.
- Commitment to quality improvement, safety, and culturally safe care.

Desirable

- Previous experience managing DVA, CHSP, or HCP services.
- Postgraduate qualification in management, community nursing, or gerontology.
