CONTEMPORARY

COLLECTION

C.H.I. 
a **NUCOR** company

The Quality Garage Door.™

Original Style. Endless Options.

Explore infinite possibilities with the Contemporary Collection from C.H.I. Overhead Doors.

A perfect complement to both traditional and modern architecture, the Contemporary Collection brings simplistic styling and bold originality to your home's exterior.

Planks shown in accents woodtones cedar with optional plain stacked black frame windows and plain glass.

Find Your Perfect Match

Modern flush exteriors and custom window placement for a distinctive look in any neighborhood.

STERLING

The embodiment of minimalist design, Sterling doors uniquely combine glass and steel for an ultra-sleek profile.

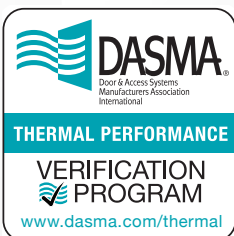

PLANKS

Horizontal grooves lend texture and interest to Planks doors, creating depth and subtle dimension.

SKYLINE FLUSH

Elevate your home's style with crisp, clean lines and a geometric silhouette.

COMPLIANCE WITH THE DASMA THERMAL PERFORMANCE PROGRAM

The DASMA Thermal Performance Verification (TPV) Program certifies and verifies the thermal performance ratings of sectional door products using third-party testing and inspection. The U-factor testing standard for garage doors, ANSI/DASMA 105, provides repeatable and reproducible results. U-factor tests an installed assembly to assign a value that accounts for section joints and perimeter seal.

Models in this program will be identified by this icon
