

Be a Sustainer, Keep Camp Strong

Good news, CCC supporters!

Canyon Church Camp is rebuilding after the 2017 Kenow Wildfire and will welcome campers back in summer 2026.

To keep camp thriving, we're launching the Camp Sustainer Campaign. For as little as \$1 a day (\$30/month through the United Church PAR program), you can become a Sustainer; receiving a CCC decal and helping provide reliable income for camp operations. Our goal is 50 Sustainers this year, which would bring in nearly \$18,000 of support! Monthly gifts of any amount are welcome.
