SUGARCANE

Lethbridge Inclusive Catholic Community Fellowship

SCREENING TOUR

SUGARCANE, the award-winning debut feature documentary from Julian Brave NoiseCat and Emily Kassie, is a groundbreaking investigation into an Indian residential school, shedding light on years of forced separation, assimilation and abuse that Indigenous children experienced at the hands of Church and government. This urgent and timely film brings the hidden story of cultural genocide to audiences worldwide while celebrating the resilience of Native people as they work to overcome cycles of intergenerational trauma.
