ABOUT FLEXISCHOOLS

Flexischools is Australia's number 1 school ordering solution and operates in more than 2000 schools across Australia. Flexischools helps parents and students to order and pay for school lunches, and school community events online or via the Flexischools app.

Flexischools takes a market leading approach to information security, having received ISO 27001 certification for its information security management system, and has also successfully participated in the Safer Technologies 4 Schools (ST4S) process - a national standardised approach to evaluating digital products and services used by schools across Australia.

Centralian Senior College will be partnering with G.A.P's Kitchen to provide food and beverage orders to our students and staff on a daily basis.

This will alleviate the need for students to be walking off campus and getting MENULOG orders delivered during class time.

Food will be dropped to the school in time for the recess and lunch break and can be collected from the reception area. Food can be ordered up until 9am on the day of delivery but we encourage you to order the night before.

The menu will be changing with daily and seasonal options.

WELCOME to flexischools!
