

Child Evangelism Fellowship, an 89 year old ministry to children in over 200 countries around the world, wants to come and serve your churches and to help you grow your children's ministry and bless you. Let us come and tell you how we can do this for you.

Go and Tell

Do you want to teach your children to Go and Tell others the Good News of Jesus?

Do you desire to help the children in your church follow God's command to share the Gospel?

And would you like them not only to share the Good News, but to come back and report what they did for encouragement and accountability?

Child Evangelism Fellowship has created a program called "Go and Tell" that trains children grades 3 through 5 who have made professions of faith to do just this. And CEF offers this training free for those who want to learn how to present it to the children in your church. The adults we train to do this, grow in their ability to share the Gospel as well.

We can also answer any questions you have regarding our:

- Good News Clubs (after school programs in the Elementary Schools)
- Party Clubs (Christmas, Valentines, Easter, and Soccer) (one time events)
- 5 Day Good News club in the summer (our summer missionaries)

Child Evangelism Fellowship has lots of free training to help you grow your church and spread the Gospel using any and all of these wonderful programs that we teach you how to use.

If you have questions about any of these program and would like to hear more about them, contact Anderson Area Ministry Coordinator, Donna Rogers at 864-367-2515 or email me at donna@cefgreenville.com. I would like to come to your church and meet with your members and help you decide what might be best for you and your church.
