Mostly a s You Got This!

You are determined, organized and motivated. You will achieve your goals quickly and efficiently. Don't forget to celebrate your successes as you progress through your goals. Go for it and launch that business.

Mostly b s Take It Slow

You are a little unsure about the change that is about to happen but willing to give it a go. Like most people, you know that you're going to struggle to find it difficult to get your business started at some point but you're willing to ask for help.

Mostly c s Baby Steps

You struggle to see the benefits that launching your business will bring and you try hard to find the motivation to work on your business. You only want to take small steps which is actually a good thing as it lets you get used to the change gradually.
