

**Spring 2024
LWWM NEWSLETTER**

"Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously" - 2 Corinthians 9:6

Spring was buzzing with installations in Barillas, Guatemala and Santiago de Cuba, Cuba. We also held our Spring Fundraiser. Blooming for His glory and for others' good!

Our March installation was in Barillas, Huehuetenango, Guatemala at the Iglesia "Fe Viviente". Installation went swiftly and beautifully thanks to the many amazing church volunteers. The Education and Evangelism team trained five church leaders, who brought

much enthusiasm to their training which carried over to their teaching with the group of about 30 children that attended each day. The church leaders learned new evangelism techniques, geared towards both adults and children, and will be able to take what they learned out into their community.

In April, LWWM traveled to Santiago de Cuba. This was our 10th installation in Cuba! The original system, being replaced and upgraded, was the very first system installed in Cuba, back in 2015.

Our Education and Evangelism team had an amazing turnout, which by the last day grew to 115 children. On the last day of lessons of the Gospel, 40 children accepted Jesus as their Savior! Before the team left, the church leaders prepared a cake, in celebration of the 10th system installed in Cuba. The church has had much success over the last nine years and no doubt that success will carry on for years to come with this new system.

Spring Fundraiser Success!

We would like to again thank everyone who donated to our **2024 World Water Day Gift Match!** We are truly grateful and blessed by the generosity of our supporters. Together, we raised **\$33,700**. Together we will continue to help so many in need of access to clean water, all while sharing the Gospel of Jesus Christ.

2023 Annual Report

Prayer Requests

- Let us continue our prayers for our brothers and sisters in Cuba as they deal with many hardships, such as food insecurities and the country's

electric grid.

- Please pray with us for the safety of our teams and staff as they travel each month.
