

Winter 2022 LWWM NEWSLETTER

8th Annual Operator's Conference

Our Operator's Conference was held in December and was a great success! Representatives from nearly all 88 partner sites attended. The conference included team building exercises, new program and services information that is coming in the new year, worship and music by Guatemala's Evelyn Edith.

"For I know the plans I have for you", declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." - Jeremiah 29:11

January Planning Meeting and Visits

In January board members and staff met for planning meetings and visits to six previously installed systems in the Peten area of Guatemala. Along with plans for the 2022 installation schedule, the team was able to meet with six previous site partners. Visits were to the Idec Noctún Church, Nazarene Church, Mt. Sion Church, Asamblea de Dios Palistina, the IDEC Agape and the Primera Iglesia Nazareno. Great to see the sites doing so well, despite the challenges of the pandemic. Many have been able to provide water to those in need in their communities. Money raised by their system water production has also allowed many of them to purchase vehicles for water delivery and to hire water system operators. Incredible to see God's hands at work.

Welcome our new Board Members!

Please welcome our newest LWWM Board Members, **Ken Williams, Cindy Hayes-Williams and Jack Haldeman**. Ken and Cindy Williams attend Gateway Church in Visalia, Ca. Their first installation trip was to Panajachel, Sololá, Guatemala in 2019. Jack Haldeman attends Wellspring Christian Center in Dinuba, Ca. His first installation trip was to Jutiapa, Guatemala in 2016. Grateful to have them aboard the LWWM team!

2022 Installations

Our 2022 installations have begun in Guatemala! Team members applications are currently being accepted for the April - July planned installations. To download an application from our website, click the button below:
