

Winter 2025 LWWM NEWSLETTER

*"As the rain and the snow come down from heaven, and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it."
- Isaiah 55: 10-11*

11th Annual Operator's Conference in Guatemala

In December we held our 11th Operator's Conference in Bonanza La Ponderosa, Tepán, Guatemala. There were 170 operators in attendance from sites all over Guatemala! A day filled with words of encouragement, team

building activities, a delicious lunch, and ending with awards and recognition to those who are working so hard to bring Jesus into their communities.

Our first system of 2025 and our 11th in Cuba! The January installation team was met with a welcome challenge of a narrow 3.5 foot system room, which was successfully equipped with the clean water system.

The Education and Evangelism team had the blessing of 165 children attending lessons. The children were excited to participate in the lessons of germs and becoming "Clean Water Superheroes"! On the last day of lessons, the children were asked to raise their hands if they wanted to accept Jesus as their savior - over 90% of them accepted the call! Praise the Lord!!

On the final evening in Cuba, the church held the dedication, where the church Pastor, Pastor Andy, and Pastor Daniel lead worship, followed by songs by local children and a system room ribbon cutting.

February brought LWWM to the Iglesia del Nazareno in Chisec, Alta Verapaz, Guatemala. On Monday, the installation team and many enthusiastic volunteers from the church got right to work. By the end of the day, the team had made great progress. By Wednesday, the system was completed, pressure tested and system operators successfully trained and tested.

The Education & Evangelism team on Monday welcomed over 70 children from the community who learned a message from the Bible and enjoyed some games. On Tuesday, the team had more than 100 students that learned about germs and the importance of good hygiene. In the

afternoon, the team hosted 35 women from the community where they gathered for time of prayer and worship. The women all received cosmetic bags, provided by Sew What in Visalia, CA, filled with hygiene products prepared for them by the team. On Wednesday, the team had 170 students and when finished had 150 who had accepted Jesus into their hearts. The entire team also had the pleasure of delivering bags of food to those in need while sharing words of prayer for them. Dinner and a lovely dedication service were hosted by the church on Thursday evening and concluded a week of seeing the goodness of God!

Prayer Requests

- Let us continue our prayers for our brothers and sisters in Cuba as they deal with many hardships, such as food insecurities and the country's electric grid.
- Please pray with us for the safety of our teams and staff as they travel each month.
