Forever **WE REMEMBER**

# **Simply Stated:** **We** plan LIFE CELEBRATIONS. ***They plan funerals.***

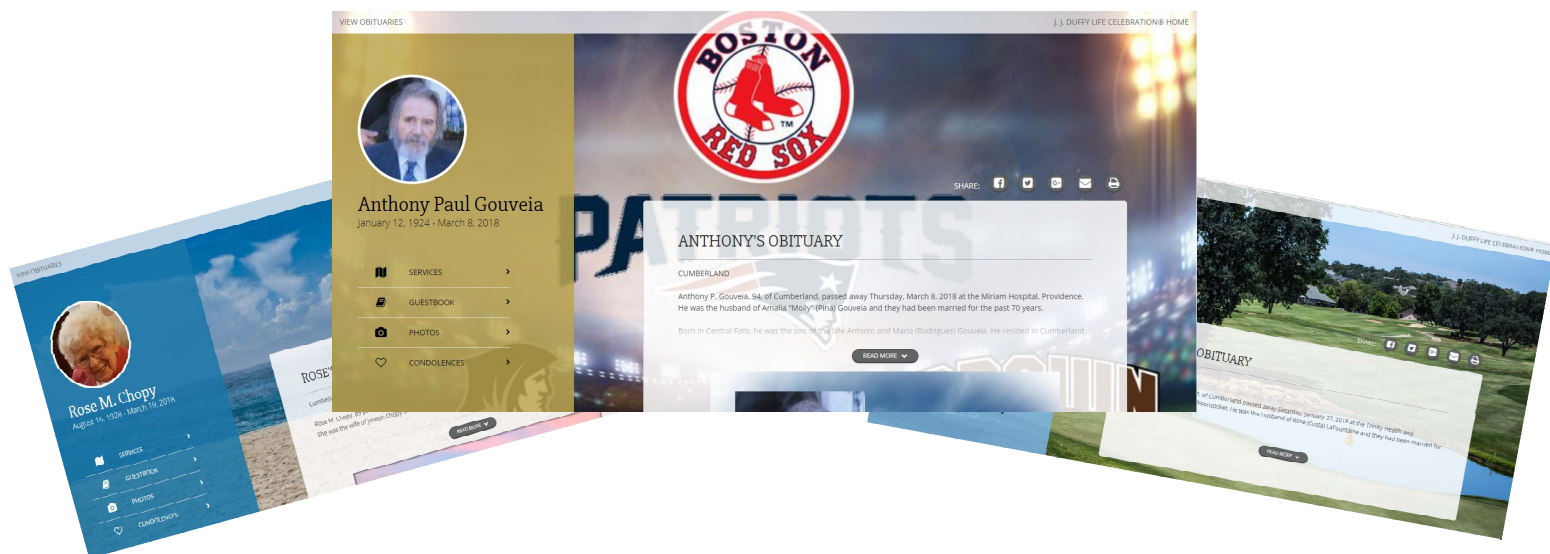

## ***Healing, Comforts and Remembers...***

***Heals***     *We are focused on placing you on a healing path. We will thoughtfully listen to you, encouraging you to share and talk about your loved one. Throughout our time with you and your family, we will be a guiding hand helping you make the right choices. We also have healing tools such as our family guide that will help you begin to walk back down the path of your loved one's life. Working together, we will co-create a unique and memorable experience that will help you reminisce and celebrate the life of your loved one.*

***Comforts***     *You will feel the warmth from our staff as soon as you walk through our doors. We are here to serve you and help you through this very difficult time. We are a family-owned business and you will see the care and comfort of families is at the forefront of what we do. We provide a relaxed environment and our facility is beautifully decorated and welcoming.*

***Remembers***     *Our focus is on providing you and your family, friends, and guests a healing and personalized experience. We create an atmosphere that encourages sharing memories, telling stories, and celebrating the life that was lived. Remembering the good times and walking back down the path of your loved one's life will help you heal. Let us help you remember.*

## **NO ADDITIONAL FEES**

When your family chooses a Life Celebration® package with J. J. Duffy Funeral Home, you will receive the video tribute with one DVD copy at no additional charge.

# Unparalleled Personalization

## **THE PATH OF LIFE**

Our Life Celebration counselors will walk with you down the path of your loved one's life to create a tribute that reflects your loved one's entire life.

Our Life Celebration ® partner network gives only our home the ability to use the creative minds of 30 professional computer graphic artists to create uniquely personal printed items, banners, signs, and even throw blankets.

J. J. Duffy Life Celebration® Home is revolutionizing the level of personalization in print items compared to other firms. No other funeral home in the area will be able to provide the level of personalization we can provide. With personalized printing through J. J. Duffy Life Celebration Home, each item is uniquely personal and a one-of-a-kind design that reflects the path your loved one walked.

In addition to the beautiful Life Celebration items, our facility will be Life—Staged to reflect your loved one's life. Items, Photos, Memory Tables, Collages and Mementos will adorn our facility and evoke an experience that will bring comfort. Your guests will comment on how beautiful and wonderful these tributes we provide in our Life Celebration® packages.

We provide personalized printing and life staging to every family as a way to honor the life, and the memories of the person who's life we are entrusted to celebrate.

# Webcasting Services

## **LOVED ONES UNABLE TO ATTEND? WE ARE HERE FOR YOU**

We offer webcast services to our families at no additional charge (upon request). Webcasting is the newest, most innovative service we have had to offer our families since the advent of personalization. It's catching on like wildfire; more and more funeral services are being broadcast live and can be viewed for up to 30 days following. There are many reasons why families ask us to webcast, military families stationed overseas, international families, family members that are unable to attend for various reason or even large services with public interest.

Service Webcasting with JJ Duffy Life Celebration® Home enables family and friends who live far away to take part in your loved one's celebration. They are able to take part in the private viewing of memorials at anytime, anywhere – around the country or around the world – over the Internet, in a safe, secure location, in the privacy of their own home.

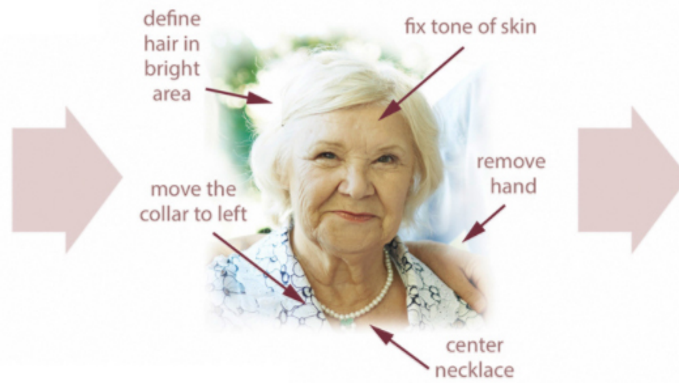

## **J. J. DUFFY FUNERAL HOME NATIONALLY ENDORSED**

We were recognized nationally by NBC, CBS, FOX news stations. We were also recognized on WBRU, WPRO, Imus in the Morning, Cat Country, and Howard Stern. We were cited for our webcasting service, and the value it provides to family and friends who cannot attend services in person.

# Photograph Services

original photo

## **WE CAN PRODUCE A PORTRAIT FROM VIRTUALLY ANY PHOTOGRAPH, WITHIN 24 HOURS.**

At times a closed casket or cremation service are the only option, and a perfectly placed portrait becomes a focal point. Even if the last portrait your loved one took was twenty years ago, we can still produce a portrait—studio quality print. Pick your favorite photo, and let our talented computer graphic artists do the rest. (Additional Charge Will Apply)

## **OUR LIFE CELEBRATION COUNSELORS ARE ALSO TRAINED.**

All obituary photos are edited and cropped to present the best image for our website and local newspaper publications. Our Life Celebration Counselors are fully trained to be able to touch up your photograph in any way you need. Our staff routinely learns the latest photo editing techniques in order to ensure your complete satisfaction.

SO YOU DO NOT HAVE TO.**

# Grief Support

## **ONLINE GRIEF COUNSELING SERVICES**

At some point in life, everyone loses someone they feel especially close to and we enter into grieving. The loved one can be a parent, child, spouse, dear friend, or even a beloved companion animal. The grieving that follows a loss is real, and can be very painful. We have created our online aftercare program to help members of your family begin the healing process. We have online grief counseling services with LifeTributes® Dr. Virginia Simpson as well as GriefWords®, a blog-based information center for grief support.

For more information visit: [jjduffyfuneralhome.com](http://jjduffyfuneralhome.com)

## **OUR SERVICE DOES NOT END THE DAY OF THE FUNERAL**

We always want you to know that we are here to help assist the deceased to get where they have to go, and the living where they need to be. To that fact, we have designed an extensive aftercare program to help you in the days, months and even years following the loss of a loved one.

Some of our programs include:

Annual Memorial Services \* Online Grief Counseling \* Memorial Tree Planting \* Healing Seminars \* Counseling Referrals \* & Much More!

## **J. J. DUFFY LIFE CELEBRATION HOME INDUCTED**

We recently received the Pursuit of Excellence Award, marking the 15th consecutive year the our family has received the national recognition. The National Funeral Directors Association (NFDA) presents the award as part of its annual conference. Once a funeral home has received this prestigious award for 15 consecutive years they are entered into the emeritus status, the NFDA Hall of Excellence.

“This year’s award is even more special than usual,” Dennis Bernardo, owner, said. “We were also honored by being inducted into the NFDA Hall of Excellence. It’s a recognition that further demonstrates our consistent commitment to compassionate care and service excellence. We are dedicated – as a team – to providing care that goes beyond expectations for the families and communities we serve.”
