

HOLIDAY

FAIR

WE ARE SEEKING ELVES

Do you love Thanksgiving and Christmas and all the hustle and bustle that comes with it? Are you a good organizer, sales person, or crafter? Are you willing to share your gifts with our parish for our largest fundraiser of the year?

We are already beginning to plan this year's Holiday Fair which will take place on Saturday, November 14th. We will follow last year's successful model of less vendors and more space for Granny's Attic — while still including our popular raffles, crafters, our Christmas Café which serves breakfast and lunch, and Mrs. Claus' Kitchen selling delicious baked goods.

As the current team members have been putting together the Holiday Fair for many, many years now (and are not getting any younger!), we are looking to slowly turn over the reigns and develop a new team

of talented, energetic parishioners willing to share their time and gifts. We are simply reaching the point where we cannot continue to host these types of large events without more team managers and additional sets of hands.

Specifically, we are seeking dedicated parishioners who:

**** can begin organizing our vendors in late June by emailing out letters and agreements, keeping track of table fees and figuring out how the vendor tables will be situated the day of the Fair.**

**** are willing to visit and write businesses to solicit merchandise and gift cards for our raffle baskets.**

**** are artistically inclined and can work with a small team in creating enticing raffle baskets from the items we receive.**

**** can plan a simple breakfast and lunch menu with pricing for our Christmas Café, shop for the items needed, and work with a team to prepare everything in a timely manner.**

**** can sell the raffles or assist in the Christmas Cafe or Granny's Attic areas as needed on the day of the Fair.**

Training will be provided in all areas, and getting involved in an event like this is a wonderfully rewarding experience. How many people get to say they are elves?!!
