You may drop the form along with payment into the Lobby mailbox or submit through the post office (postmarked no later than **December 10.**) Please do not visit or call the office with Mass Intention requests. Mass requests will be processed on a “first come-first served basis” according to the following norms:

- ♦ *One (1) Mass request may be scheduled on a weekend; the other Mass intention will be scheduled on a weekday, as dates are available.*
- ♦ **All Mass intention requests will be scheduled by the parish office staff.** Your date will be scheduled as close to the day(s) as possible if the exact day(s) cannot be honored. **Once requests are scheduled in the Mass Book you will be notified by mail.**
- ♦ Due to the volume of mass intentions we receive; only two (2) Mass intentions per deceased person is permitted per year. With this in mind, please discuss which family will submit a request for your particular deceased loved one.
- ♦ To accommodate your intentions, you are encouraged to combine several family members in one Mass Intention, such as: “Deceased Members of the Smith Family” or “John & Mary Jones.”
