

Building Campaign

God has opened the door to a new location for our ever-growing church family! This year we will begin construction on a new campus on ten acres of donated land on South Allen Road, providing more space and parking and a new neighborhood in which we can share the gospel. We are so excited!

As we move out of Laurelglenn, LBC will become Lighthouse Bible Church, named to show our heart's desire to be a light to those around us locally and globally, to help people grow in Jesus, to experience community among other believers, and to plant future churches.

Our goal is for everyone at LBC to join together prayerfully and financially (if you're able) to fulfill God's vision for our church. For more information, scan the QR code below and visit the Lighthouse info center in the lobby today.

Temptation to Sin - We are Responsible

James 1:13-18 (page 950)

Pastor David Buck
October 11, 2026

Introduction:

Key point from this text: We seek to blame others, Satan, or even God for our sins, but ultimately, _____.

I. God _____ but He does not tempt vs. 13

II. We are individually _____ for sin. Vs. 14-16

III. God is the _____ source of all good. vs. 17-18

Changing your mind:

Reading Plan

10/12 - Genesis 22:1-4

10/13 - Psalm 119:9-16

10/14 - Galatians 5:15-6:5

10/15 - 2 Timothy 2:14-26

10/16 - James 4:7-10

10/17 - 1 John 2:15-17

Reflection and Small Group Questions

1. What brings temptation into your life?
2. How are you supposed to respond to temptation?
3. What part does God play in your temptations?
4. The good news is, any temptation can be resisted. A person can resist the desire, turn from the bait, and retrace his or her steps, canceling the process. How do you practically do this?
5. And when sin continues without repentance, it results in death—a death-like existence (James 1:15). Sin, that monstrous offspring of depravity, goes through conception, development, birth, growth, and finally death. That's James' "death cycle" of sin.
 - a. What kind of "death" does sin produce in our lives when we continue in it without repentance?
 - b. How have you seen unrepentant sin affect a person's relationship with God, relationships with others, or overall life?
