For 28 years, Market of Hope has existed to bring practical, life-changing help to the poorest of the poor and the most vulnerable across the globe—all in the name of Jesus.

On Sunday, November 1, 2026, we will once again gather to celebrate Market of Hope. Every gift given has eternal impact. Your generosity not only provides for physical needs, but is also an act of worship—declaring the goodness of Jesus and making His name known among the nations.

Thank you for faithfully sharing the resources God has entrusted to you. Because of your generosity, the hope of the gospel continues to reach hearts and transform lives around the world.
