

Community Involvement

We aim to support autism families not just in the clinic, but out in the community as well! Every year we sponsor and host countless events including our Parent's Night Out (a night for free respite care for our clients and their family) and Parent Support Group. To see what events are upcoming, scan the QR code below:

WE SERVE...

Children with Autism Spectrum Disorder in the Grand Blanc and Brighton areas.

What Makes Us Different

Dedicated to connecting families with valuable resources like **Adaptive Riding** from Michigan Horse Therapy

School Readiness Program designed to help kids transition successfully to the classroom, including support for the whole family through the **IEP process**

Committed to breaking down barriers for families by providing **In-home services**

WE BELIEVE...

Every child should be able to get the support they need, all while having fun! With the flexibility at Laugh and Learn, you can be assured that we will align our services with **your values!** Whether its language acquisition, peer interactions, social skills, following routines, daily living skills, reducing challenging behaviors or something else, our goal is to use motivators specific to your child to help them thrive in the spaces that matter to you most.

Parent Testimonials

We could rave about Laugh and Learn all day, but we know what matters most is how the families feel. Listen to two first hand experiences from parents just like yourself explaining why they chose Laugh and Learn Therapy for their family

Staff Training

We at Laugh and Learn have a **very high standard** that we hold for all staff, meaning our Behavior Technicians receive:

- ✓ 40-50 hours of in person training
- ✓ Competency tests
- ✓ QBS safety training
- ✓ Quarterly evaluations
- ✓ Quarterly data accuracy checks
- ✓ 20% BCBA supervision rates
