# ROSÉ ALL DAY

Sip in the self-care. Check in with a fresh glass of Côtes de Provence Rosé,

Indulge in a petal-soft escape that begins with an effervescent champagne fizzer foot soak, softening skin and lifting the senses. A sea salt scrub made with organic raspberry vodka gently exfoliates, followed by an advanced relief foaming whip that envelopes legs and feet with calming chamomile, arnica montana and green tea extracts. A vibrant berry clay mask packed with organic red raspberries, retinol, turmeric, and cucumber detoxifies and revives tired feet. Finish with a resveratrol-rich serum from Texas winery grapes and a whipped vitamin E shea butter massage—leaving your legs luminous and your spirit lifted. Cheers to glowing skin and well-deserved moments of bliss.

Your legs and feet are then coated in a chilled toning cactus gel that gently tingles and warms as it tightens and invigorates tired skin. After a firm wrap to lock in all that goodness, your glow is sealed with a slow agave nectar oil massage—drizzled and worked in to deeply hydrate, plump, and leave you glistening from heel to toe. It's citrusy, it's silky, it's summer in a pedicure.*
