

***Psalm 19:14 The Living Bible***

***May my spoken words and my unspoken thoughts be pleasing  
to you my Lord, my Rock, and my Redeemer***

What an incredible blessing it is to reflect on all that God has done in the lives of our community through Fellowship of Christian Athletes All Abilities. As you read this, we pray you will rejoice with us and stand in awe of His work over this past year. Sharing fellowship with individuals of all abilities—both physical and cognitive—through the unifying context of sports is truly powerful!

What excites us most is that through our involvement as coaches and partners in adaptive sports—both in city programs and in unified sports across Northern Colorado's middle and high schools—we're given the incredible opportunity to share the love of Jesus. Each week, we also host Bible studies and huddles where our friends can grow in their understanding of who Jesus is and how deeply He loves them. As we enter this season of reflection, our hearts are full of gratitude. Thank you for all you do to help make these meaningful moments possible.

Over the next few weeks, you'll have the opportunity to experience—through story and reflection—twelve powerful examples of how our mission comes to life. Each story highlights our commitment to serving the all-ability community through discipleship, faith, and inclusion, all expressed through the unique and unifying vehicle of sports. Curl up by the fire, get a hot cup of your favorite drink and soak in all that God has done through the generosity of each one of you; our legacy partners, community partners, individuals, and churches. We pray that as you read and listen to what the Lord has done, you will pray over each and every person and program. Please pray that we continue to be led by the Holy Spirit, that we step out in faith when things seem impossible

and that we have more volunteers and ministry partners to disciple EVERY individual and family the Lord puts in our lives.

Would you join us in praying, volunteering, and becoming a financial ministry partner? This end of the year giving season, we are asking the Lord to bring more businesses, individuals and churches to be a part of our monthly home team. Would you pray the Lord would bring us those people. Would you pray about connecting us to those you know that might be interested. Monthly partners allow us to plan and prepare for supporting every individual, every family, every coach, and every season of sport.

The heart behind everything we do is simple: to share the gospel. As you read and pray, consider this—1 in 5 individuals lives with some form of disability, and yet 33% of the disability community remains unreached with the good news of Jesus. Together, let's step into the All Ability community through the powerful platform of sports and ensure that every individual—coaches, athletes, and families—has someone committed to walking with them and discipling them.”

We can do this with your partnership! If you would like to partner with us in any way please reach out to [amiller@fca.org](mailto:amiller@fca.org). If you feel led to give at year end or to become a monthly partner, click here. <https://my.fca.org/?form=conocoallability>
