

BEND FC 2026/27 Year Plan and Pricing

U11- U14 Youth Premier Academy

Cost: \$2,695 if committing on or before May 20, 2026 (\$100 discount), \$2,795 full price if committing after May 21st, 2026.

Includes

- Soccer year starts May 29th, 2026 and ends around May 1, 2027
- Three summer tournaments (including Bend Premier Cup)
- Outdoor and indoor training 2-3 x week from June-May. Indoor training 1x week December - March.
- All teams will have a third technical training day 1 x week for up to six weeks in the Fall and up to six weeks in the Spring.
- Fall 2026 League
- Spring 2027 League
- Fall 2026 Cup (may continue into Spring if advance in State Cup)*** In some cases, a DOC and Head Coach may decide a Youth Academy team is better served playing an additional tournament, Oregon or Southern Washington, than participating in an OYSA Cup. This would be an even trade.

U15-U19 High School Premier Academy

Cost: \$2,695 if committing on or before May 20, 2026 (\$100 discount), \$2,795 full price if committing after May 21st, 2026.

Includes

- Soccer year starts May 29th, 2026 and ends around May 1, 2027
- Training up to 3 times a week during league season (winter and spring). Indoor training will be an option from March-May.
- Winter League 2026
- Spring 2026 Cup
- Three summer tournaments (including Bend Premier Cup). ***In some cases, a DOC and Head Coach may decide a high school age team is better served attending Crossfire Challenge in Washington instead of the Bend Premier Cup. Teams choosing to do this are responsible for the additional costs.

Platform League Team Additional Cost

- All teams participating in a platform league are required to travel and participate in one platform event throughout the seasonal year. These events are typically out of state and

require all rostered players to pay and try to attend. This cost is covered in the Platform team fee. \$6000 per team

- All teams participating in a platform league will have an additional platform league cost. These costs are shared costs amongst all teams, boys and girls, participating in a platform league. These cost include the following:
 - Increased facility cost
 - Scheduling fees
 - Increased coach travel
 - Increased referee and assigning costs
 - Video
 - Game day athletic training
 - Player card fees
 - Increased equipment cost
 - Platform league bonds or associated charges

Total Additional Cost: \$6000

Total Team Additional cost for 2026/27 is \$12000 per team

Bend FC will give every time participating in a platform league 6 months to raise as much of the \$12000 platform charge as possible before each individual team member is billed the remaining balance. For those teams that don't want to fundraise, can opt out and pay the individual fee per rostered player. Those teams wanting to raise funds can put those funds towards the additional cost of playing in a platform league before each rostered player is billed.

Each team participating in a platform league will be billed on November 1, 2026 for the team's platform participation costs.

*Platform teams may only be considered for OYSA State Cup and Presidents Cup if all the platform expectations have been met and paid for by the team.

Junior Academy 2026/27

If registered between March 15, 2026 and April 30th, 2026	\$1395
