

Additional Tournaments & Events – Cost Information

Teams at Bend FC may choose to participate in tournaments or events beyond those scheduled by the club. These **optional events** provide extra playing opportunities but also come with additional costs.

Who Pays?

Families of the players who sign up to attend will **share equally** in the following expenses:

- Tournament registration fees
- Coach travel costs (mileage, lodging, meals/per diem)
- Administrative fees related to planning and support

Exceptions: Qualifying Events

Some events, such as **State Cup or Presidents Cup**, may lead to additional rounds of competition. If a team **wins and advances** (e.g., to Regionals), Bend FC expects that team to follow through and participate. In those cases:

- **All rostered players** share the cost of the next stage, even if they cannot attend.
- **Guest players**, if added, will also contribute their portion.

Planning Ahead

If your team is considering an extra event, please speak with your coach or team manager in advance to understand the estimated costs and commitment.

These guidelines help ensure fairness while supporting teams that want to pursue additional opportunities to grow and compete.
