

PLATFORM ADDITIONAL COSTS

2026/27 SEASON

GIRLS ACADEMY (GA) ASPIRE

Total Additional Team Cost: \$12,000 per team

Bend FC will provide each team participating in the GA Aspire league a six-month fundraising window to offset the \$12,000 platform fee. After this period, any remaining balance will be divided and billed to individual rostered players.

Teams that prefer not to fundraise may opt out and instead pay the full per-player share of the platform fee. Teams that do fundraise may apply all funds raised toward reducing the total team cost before individual billing occurs.

Billing Date: November 1, 2026

Important:

Platform teams will only be eligible for OYSA State Cup and Presidents Cup if all platform requirements are fulfilled and all associated fees are paid.
