## **Bend FC Makes History with First-Ever Girls Academy Weekend**

We are thrilled to announce that this coming weekend, the **Bend FC 2012 Girls Premier** and **2013 Girls Premier** teams will make **Bend FC history** as they take part in the **Girls Academy Aspire Regional Event** in **Provo, Utah**.

This marks a **historic milestone** for Bend FC — our **first official Girls Academy weekend** — and an exciting step forward for our club and our female athletes. We are incredibly proud of the players, coaches, and families who have helped make this moment possible.

Let's all come together to wish **Coach Kelly**, **Coach Greg**, and both of our teams the best of luck as they represent Bend FC and Central Oregon on this new stage. Go show what Bend FC soccer is all about — teamwork, passion, and excellence!

### **What is the Girls Academy Aspire League?**

The **Girls Academy (GA) Aspire League** is a newly launched, second-tier competitive platform (established in 2025) created to develop and showcase elite girls' players and clubs across the nation. Aspire serves as a **merit-based pathway** to the GA's top-tier platform, offering:

- **High-intensity regional competition**
- **College recruiting exposure** through showcase events
- **Developmental structure** for second teams within GA clubs and for independent clubs aiming to progress within the GA system

This opportunity represents Bend FC's continued commitment to providing players with **elite developmental experiences** and pathways to the next level of competition.

**Good luck to our 2012 and 2013 Girls Premier teams — and go Bend FC!**
