

SERVICES WE OFFER

Your accountant should do more than submit returns. At Hatch, we help business owners make better decisions, reduce tax, improve profitability and plan for long-term growth.

Strategic advisory & growth services

Tax Planning

We'll help you make tax-smart decisions throughout the year, so there are no surprises and you can keep more of your hard earned profits.

Cashflow Forecasting

Know what's coming before it arrives. We'll help you understand your cash position, plan ahead and make confident decisions for your business.

Budget Planning

A realistic budget gives you something to aim for. We'll set financial targets that support your goals and keep your business on track.

Advisory

Need a second opinion or someone to talk through a big decision? We're on hand with practical advice and financial insight whenever you need it.

Financial Process Review

We'll review your financial processes and identify ways to save time and improve efficiency.

Capital Gains Tax

Selling a business, property or investment? We'll make sure you understand the tax implications, explore available reliefs and plan ahead to avoid surprises.

Strategic Planning

When it comes to big decisions, clarity matters. We'll help you understand the numbers, explore your options and build a plan for what's next.

Financial Risk Management

Every business faces risks. We'll identify potential issues early and put plans in place to protect your business and support long-term growth.

Core compliance & reporting services

Our core services keep the essentials running smoothly. We'll take care of the preparation and filing, help you get things set up correctly, answer questions as they arise and talk you through anything that needs attention.

Accounts

Clear, accurate accounts prepared and filed properly, with support to help you understand what the numbers are telling you.

Bookkeeping

Tidy, organised bookkeeping that keeps your records clear and makes day-to-day finances easier to manage.

Payroll

Simple, reliable payroll support to help make sure your team is paid correctly and HMRC gets the right information.

VAT

VAT returns prepared and submitted on time, with guidance on setup, records and any questions along the way.

CIS: Contractors and Subcontractors

Friendly support with CIS returns, deductions and keeping the right records. Please keep copies of all deduction statements; if HMRC issues a compliance check then additional fees apply if you ask us to handle it.

Confirmation Statement Filing

We'll take care of your confirmation statement filing, making sure your Companies House records stay accurate and up to date.

Management Accounts

Often the starting point for strategic advice, we'll keep you informed with regular reporting and insight, helping you understand performance and spot opportunities.
