**Federal Trade Commission (FTC) Disclosure**

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container, so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

**New York State Disclosure**

No New York State or local law requires you to buy a receptacle to surround the casket in the grave. However, many cemeteries require that you have such a receptacle so that the grave will not sink. Either a burial vault or grave liner will satisfy these requirements.
